Format: 4 Man Scramble

## Green Fees Include:

Green Fee  
Cart  
Mulligans  
Unlimited Range Balls  
Hamburger/Hot Dog Lunch  
8 drink tickets  
Member for a day replay voucher

## GOLF SCRAMBLE RULES:

**TEAMS:** Players have the opportunity to create their own 4 Man Team. Individual registrations will be paired until a 4 Man Team has been created.

**SCORING:** Upon completing the round, all scorecards will be turned in and the 1st, 2nd, & 3rd place winners will be selected based on their team score.

**FORMAT:** Eighteen hole - four-person scramble tournament.

**RULES:** A scramble format means that all four team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker. The other players pick up their balls and place it within one club length (no closer to the hole) of the marked spot. All four players hit their shot from the chosen spot. This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green also. Putts need to be made within 3 inches of the marked spot (no closer to the hole).

The first ball to go in the hole is counted for the team score. If the ball you choose to play is in a hazard (sand, water, etc.), or the rough, you cannot drop the ball outside of the hazard or rough even if relief is within one club length away. Men will always tee off from the blue tees, and Women will always tee off from the red tees. Each team member must use at least one tee shot during the nine holes. Make a note on the scorecard to indicate whose tee shot was used on each hole.

**AWARDS:** There will be overall team awards given to the top three teams. Individual awards will also be given for closest to the pin, longest putt made, and longest drive.

## INDIVIDUAL COMPETITIONS:

**Closest to the Pin:** This competition has one division. If your tee shot is closest to the hole, write your name on the marker card and place the marker in the ground on the spot where your ball came to rest. Once the marker has been placed in the ground, it should stay there until someone else hits a closer shot. Use the flag stick as a measuring rod if it is a close call. Then, that person should repeat the procedure of writing their name on the card below the other name(s) and place the marker at the spot.

**Longest Putt Made:** This competition has one division. If your putt is the longest made, write your name on the marker card and place the marker in the ground on the spot where you putted the ball. Once the marker has been placed in the ground, it should stay there until someone else makes a longer putt. Use the flag as a measuring rod if it is a close call. Then, that person should repeat the procedure of writing their name on the card below the other name(s) and place the marker at the spot.

**Longest Drive:** This competition has a Women's and a Men's division. If your drive is the longest, write your name on the marker card and place the marker in the ground on the spot where your ball came to rest. The ball must be in the cut fairway to count. Once the marker has been placed in the ground, it should stay there until someone else hits a longer drive. Then, that person should repeat the procedure of writing their name on the card below the other name(s) and place the marker at the spot.
